 Rubber  
 Silicone  
 Teflon®

### Hose Assembly Equipment

Hydraulic Hose Crimp Machines  
 Hydraulic Hose Swag Machines  
 Push on Hose Machines  
 Hose Cleaning Guns

### Connectors/Clamps

#### Adapters

Aluminum  
 Brass  
 Compression  
 Polypro  
 PVC  
 Stainless Steel  
 Steel

### Clamps, Tube, Pipe, Hose

Aerospace/Marman  
 Band clamps  
 Ear Clamps  
 Worm Gear Clamps  
 2 Bolt Clamps  
 4 Bolt Clamps  
 U Bolt Clamps

### Hose End Fittings

Banjo Couplings  
 Cam & Groove  
 Compression  
 Couplings  
 Crimp  
 Hose Barbs  
 Push to Connect  
 Quick Disconnect  
 Refueling  
 Reusable  
 Swage

### Thread Sealing Materials

PTFE Tape  
 Liquid Silicone

### Hydraulic/ Pneumatic Components

Air Components  
 Blow Guns  
 Filters  
 Hydro Checks  
 Indexing Tables  
 Motors  
 Pumps  
 Quick Disconnects  
 Regulators  
 Rotary Actuators

### Valves

Ball

 A-LOCK®  
 Instrumentation

### Regulators

Pressure  
 Vaporizing  
 Tied diaphragm

### Valves

Ball/plug  
 Relief Bleed and Purge  
 Metering

Needle  
 Manifold  
 Diaphragm

### Pressure Washer Components

Screw couplers  
 Nipples  
 Quick couplers  
 Nozzles  
 Spray Guns  
 Hoses  
 Grip Lances

### Sorbents & Containment

Pads, Rolls, Socks  
 Spill Kits  
 Marine Spill Response  
 Wipers and Rags  
 Granulars, Neutralizers &  
 Bioremediation

### Accessories

Hydraulic Oil  
 Lubrication Equipment  
 Grease Fittings  
 Gauges

# SUPPLIERS

## Eaton/Aeroquip

Industrial Division:

hose, fittings, couplings, swivel joints and tube fittings

Aerospace Division:

hose, fittings and quick couplings

Synflex Division:

SAE thermoplastic hose and tubing

Everflex Division:

Teflon® hose and fittings

Hansen™:

quick disconnect couplings

## Alkon Allenair LLC

rotary index tables, air and hydraulic cylinders, valves and pumps

## Brasscraft

brass compression, flare, pipe and hose barb fittings

## Brennan Industries

American, British & metric adapters, JIC, SAE and compression fittings

## Camozzi Pneumatics

push-to-connect nickel plates brass tube fittings, cylinders and valves

## Chemtex

sorbent and containment products for the industrial, marine and automotive industries

## Deltrol Fluid Products

flow control, needle, check, quick exhaust and solenoid valves

## Dixon Valve & Coupling

barbs, camlock, steam, fire and sanitation fittings and hose, valves and quick couplings

## Continental Contitech

industrial hose for construction and agriculture to manufacturing and transportation

## Graco

lubrication products and systems

## Hose Master

corrugated metal hose, stripwound hose and expansion joints

## Kepner Products

check, relief and cartridge valves

## Kuriyama

thermoplastic, rubber, metal hose products

## Newage Industries

flexible plastic tubing and hose (PVC, silicone, fluoropolymer, thermoplastic rubber, latex, nylon, polypropylene, polyethylene)

## Parker Instrumentation/Process Control

CPI™, A-LOK® and instrumentation pipe fittings, valves and regulators

## Parker/Schrader Bellows

hydraulic and pneumatic quick disconnects filters, regulators, lubricators, manual, pilot and solenoid valves, cylinders

## Parker/SnapTite

hydraulic, pneumatic and aerospace quick disconnects; check and solenoid valves

## ReelCraft

hose reels, cord reels and cable reels

## Stainless Hose Fittings

stainless fittings and adapters

## Suttner

pressure washer components and accessories

## HBD/Thermoid

industrial rubber products

## Titeflex

smooth bore (PTFE) medium, high pressure and high performance hose, convoluted (PTFE) an chlorine/bromine hose

## Tompkins

American, British & metric adapters, JIC, SAE and compression fittings

## Additional Suppliers:

Adaptall • ADL Insulflex • Air-mite • Alemite  
• Allied Witan • Band-it • Behringer  
• Coilhose Pneumatics • Faster • Flexaust  
• Flexible Technologies/Duravent • Generant  
• Jomar • Kongsburg Automotive(Teleflex)  
• Lance • Lexair • Loc-Line • Maier  
• Norgren/KIP • Pressure Connections  
• Super Swivels • Texcel

# VALUE ADDED SERVICES

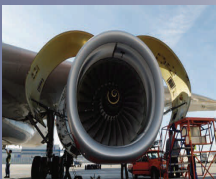

- ◆ Custom Hose Fabrication
- ◆ Custom Kitting and Tagging
- ◆ Customized Customer Part Numbers
- ◆ Dedicated Customer Inventories
- ◆ Barcoding Technology
- ◆ VMI (Vendor Managed Inventories)
- ◆ On-site Application Assistance
- ◆ Custom Fabrication, Machining, Brazing & Welding of Pipe, Hose, Tube & Fittings
- ◆ Hose & Tube Pressure Testing and Certification (up to 20,000 psi)

**Aeroquip  
Hose Center**

**Both our Bloomfield & Milford locations are authorized Eaton|Aeroquip Hose Centers.**

Our hose centers are a one-stop shop for all your hose and fitting needs.

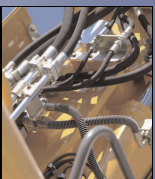

We carry high quality product to get you back up and running fast!
